

CrossCurrent is an introductory-level, personal prayer ministry and group study for people just beginning to explore God's perspective on sexuality and relationships. This is an eight-week program starting March 4, 2010.

Living Waters is an in-depth, Christ-centered program for people seeking healing in areas of sexual and relational brokenness. A healing, teaching and discipleship series, Living Waters addresses the reality that we are all broken in our ability to love others well. The goal of Living Waters is to lay a foundation for sexual and relational wholeness in our lives. With groups all over the world and with over twenty years of ministering God's healing love, the Living Waters program is a proven path of healing. Living Waters is a 25-week program scheduled to start at Providence Baptist Church in September 2010.

Living Waters and CrossCurrent are part of Desert Stream Ministries (www.desertstream.org).

If you're beginning to explore God's perspective on your sexuality and relationships, consider CrossCurrent. This is an open, eight-week, Christ-centered prayer ministry for men and women seeking *hope* in sexuality and relationships.

Through worship, teaching, prayer and small groups (same gender), we learn about God's powerful love for us and how Jesus is central to our hope for our wholeness.

CrossCurrent has helped many participants begin to identify their areas of true need. It also challenges them to examine their sexuality through the truth and hope found in Jesus. Healing has occurred for many through identification of needs and healing prayer, as well as through choosing to draw closer to the Lord and to others in the body of Christ.
